Note: Current Continuous Flow Models may not be compatible with some previous recess boxes or pipe covers. Please speak to your account manager for further information.

ABS Recess Box (SBOX)

Manufactured from a tough ABS plastic, the SBOX is light weight, easy to handle, durable and easy to install.

Metal Recess Box (RBOX04L)

Designed to house and hide the pipe work, but also create a smooth and clean finish to the installation.

Pipe Cover (PC11D)

Colour matched to enhance the installation by hiding unsightly pipe work and complement it's existing surroundings.

Metal Recess Box (RBOX06LW)

Built into the wall the metal recess box is designed to house and hide the pipework but also create a smooth and clean finish to the installation.

Pipe Cover (PCD01W)

Colour matched to enhance the installation by hiding unsightly pipe work and complement it's existing surroundings.

Fully Recessed Box (RBOX02)

Designed to house and hide not only the pipe work, but the continuous flow unit itself with a front cover creating a smooth and clean finish to the installation.
