DETAILS

The Rinnai Smartbox® Semi Recess Frame. The innovative Smartbox® allows you to recess your hot water system to the wall cavity virtually hiding it from view and maintain a sleek appearance to the exterior wall.

Rinnai Smartbox® suits Rinnai Hot Water System model: INFINITY 16, 20, 26 & B16, B20, B26.

Features:

- Saves precious space by utilising the existing wall cavity
- Made from durable, lightweight, UV stabilised, ABS plastic
- Suits any application:
 - Weatherboard or other non masonry wall
- Fully paintable to blend in with any colour scheme
